Reference: Freedom of Information Act Request

Dear Sir or Madam:

Pursuant to the Freedom of Information Act (FOIA), as amended, 5 U.S.C. §§ 552, et seq., and the United States Environmental Protection Agency's (EPA) rules issued thereunder, 40 C.F.R. Part 2, Chem-Tex Laboratories Inc. (Chem-Tex) hereby requests from EPA copies of **Data Evaluation Records and data reviews as well as efficacy data, physical chemical data and toxicology data for PMX Industries Inc.'s product MicroGuard™ antimicrobial copper alloy (EPA# 85290-1).**

Documents responsive to this request likely will be maintained by the Office of Pesticide Programs. This office is identified solely to assist EPA in responding to this request and is not intended to limit the scope of this request in any way. Documents responsive to this request may be maintained by other EPA offices and divisions, and any such documents expressly are included within the scope of this request.

Chem-Tex is first and foremost interested in receiving any documents that do not contain confidential business information (CBI) as soon as possible. Chem-Tex understands that some of the documents responsive to this request may contain CBI. Chem-Tex requests that any responsive documents that do not have to undergo CBI review be provided to us as soon as possible.

If for any reason you determine that portions of the requested information are exempt from disclosure under FOIA, please delete the allegedly exempt material, inform us of the basis for the claimed exemption, and furnish us with copies of those portions of the information that you determine not to be exempt. ChemTex consents to such deletion at this time to facilitate your prompt response and in no way waives our right to appeal any determination that you may make regarding the applicability of any FOIA exemptions to the requested documents and information.

Chem-Tex requests that you provide us with accurate copies or a complete and accurate account of the information requested. ChemTex agrees to pay reasonable search and reproduction costs; ChemTex understands it can expect a response within 20 days of your receipt of this letter.

If you have any questions about this request or require further information, please contact us at 704-467-3721 or mhs@vnet.net. Thank you for your attention to this matter.

Sincerely,

Michael H. Smith
President
